Newton occasions Bo Jackson to wax rhapsodic, gets ready as ??All the Tostitos?¡¥ By Doug Farrar

While Carolina Panthers newcomer quarterback and 1st overall draft elect Cam Newton has looked impressive every now and then through his first preseason, it's beautiful explicit namely he's still getting the hang of the NFL's advanced passing concepts. Through four preseason games, he completed 24 passes among 57 attempts as 300 yards, and it took him until the preseason finale against the Pittsburgh Steelers ahead Newton threw his first pro touchdown pass i§D a 10-yarder to firm kill Jeremy Shockey(notes) with 6:07 quit among the first 15 min.

Newton is still learning but he'll be starting Week 1 as the Panthers while they face the Arizona Cardinals as two reasons: Because he was selected 1st overall, and because he's so much better than Jimmy Clausen(notes), last year's supposed hope along the quarterback position. Clausen has never remotely resembled an NFL starter and went seven as 17 against the Steelers' backups.

And surrounded namely Cards game, Newton ambition be returning to University of Phoenix Stadium ¡§D the last period he was there, he was leading the Auburn Tigers to a national championship over the Oregon Ducks. So he has succeeded with,for Brent Musberger would put it,always the Tostitos"on the line.

The question is what's he ready to do among the pros? At least an former NFL superstar (and Auburn alum, it have to be said) is aboard the bandwagon. Bo Jackson recently said on "The Jim Rome Show" namely Newton "has the arm strength and power of Dan Marino and John Elway combined. He is quicker than Michael Vick(notes) ¡§D faster than Michael Vick. And he will flee over you with the power of ,2012 nike nfl jerseys;a Jerome Bettis, authentic nfl jerseys." Gosh.

Future Hall of Fame quarterback Kurt Warner(notes), who had his own success among namely same stadium while he played as the Cardinals, said aboard Thursday's "Total Access" show namely he's never quite for convinced ¡§D no material how gifted Newton may be, it's going to be a rough work as a meantime.

"Is he ready? No," Warner said. "He's never ready. I think we've looked it surrounded the preseason ¡§D to be capable to drip after among the pocket and peruse professional coverages and acquaint the throws? He's never ready. I've talked to people down there, and they respect his presence They respect the fact namely he's trying to throw the ball down the field. He's trying to acquaint these reads ¡§D he's never equitable looking along an receiver and running. He's making namely progress,merely he's never ready to be surrounded a drop-back, pro-style crime additionally They're going to give him some activities to acquaint with his feet, and they're going to give him some activities out of the pocket,nfl football jerseys cheap,barely it's going to be a long season as him with the guys namely are nearly him.

"But they've got no option Cam Newton's going to begin Week 1 and he's going to be there always 16 games,nfl jersey wholesale, and he's going to must take his lumps and learn from it." I would accede While Newton has shown namely he's just for much a superlative runner within the NFL ¡§D he led the Panthers among preseason rushing yards with 86 ¡§D he's going to struggle with the easy mechanics of the quarterback position along the NFL class He's never used to dropping after from under median which leaves him stepping awkwardly behind to pass and missing on a lot of his shorter timing routes, custom nike football jersey.

And meantime he does have an amazingly strong arm among my mind,nfl jersey sizes,an of the five best surrounded the NFL already from a pure velocity perspective he's still getting the hang of the NFL path tree,nike football jersey builder. The Panthers would be well-served to set Newton up aboard a shotgun-heavy diet with minimal risk to his own body ¡§D accessory rollouts to toss than pure running plays ¡§D and let the dropbacks come in time If they give him also much pro-style material too soon, they hazard hiding his amazing gifts through his newcomer activity.
